

Michelle Sharp Bio

Award-winning author, Michelle Sharp, has been nominated for a National Readers Choice Award for Best Romantic Suspense and Best First Book. In addition, her debut novel *Dream Huntress* was selected as a finalist in the Daphne Du Maurier award for Excellence in Mystery and Suspense. Although she has a degree in Journalism from Southern Illinois University, she finds weaving tales of danger, deception, and love much preferable to reporting the cold, hard facts. Her goal in life? To team resilient, kickass heroines with the sexy Alpha's who love them.

As most authors probably are, she is an avid reader. Growing up in St. Louis has made her a die-hard Cardinals fan, and having a child with Down Syndrome has made her passionate about any issue regarding special needs kiddos. She's also a fairly big sucker when it comes to anything with fur or feathers.
